

Cheshire West & Chester Council

Help look after your local footpaths

We're looking for people with a love of the great outdoors to help look after local footpaths and bridleways by becoming a volunteer footpath warden.

Volunteers would help:

- to inspect local public rights of way
- report any issues
- with minor maintenance, such as cutting back vegetation around stiles.

If you are interested or would like more information email: richard.ankers@cheshirewestandchester.gov.uk or call **0300 123 8 123**.

Full training and basic hand tools will be provided to all volunteers
