Highlights from the Parish Council Meeting

At the last minute, Houghton Poultry at Tiverton Heath appealed the enforcement notice served on them and now have 6 months in which to develop their case for overturning the notice. This means that poultry rearing activities are likely to continue into 2008.

The spate of planning applications continues, with the Council taking a close interest in all construction work in the village to ensure that the proper regulatory processes are in place for the work being undertaken.

Recycling News

Please remember to put all glass bottles and jars into your white recycling bag for monthly collection. It really does make a difference - recycling just one glass bottle saves enough energy to power a washing machine for 10 minutes.

Owing to the redevelopment of the restaurant, the bottle banks at The Red Fox are not available. However, you can still take glass to the bottle banks at The Shady Oak or the Tattenhall Recycling Centre.

TIVERTON & TILSTONE FEARNALL PARISH NEWS

Oct 2007

Chairman's Letter

Of concern to us all must be the on-going damage to our fences and verges caused by the large HGV's that have missed the low bridge signs and need to turn round in the wholly inadequate 'turning circle' at the junction of the A49 and Huxley Lane. A number of suggestions have been put forward which we have rejected, and you should know that your council has requested a site meeting with the authorities concerned to see if we can't come up with a definitive solution. I'll keep you informed.

Another issue with the A49 is the increasing incidence of 'fly-tipping' in the lay-by near to the Red Fox. This is becoming a particular problem and one that is proving difficult to capture. I would ask for renewed vigilance, and if anyone should observe anything even mildly suspicious, to record registration numbers and either forward to myself or any other councillor.

We have booked another loan of the radar speed gun for w/c 8th October but we are still looking for additional volunteers. If you are concerned about speeding in YOUR village now is your chance to do something about it.

For one reason and another we didn't manage a 'Village Day' this year, but if we are to rectify that next year then now is the time for preparation. To that end I propose to call a meeting in the village hall of interested parties on 16th October at 7:30pm, please come along.

Finally, your council and I exist solely to oversee the management of the parish and its affairs; we are at your bidding. If you have a problem or an issue you would like to reach a wider audience, then let us know, we will listen. Our meetings are usually held every other month and the dates are on the reverse of this pamphlet as well as notice boards and web site. You are cordially invited to join us, let's make this village OUR village, we can't do it alone.

Mike Turner, Chairman

St Judes, Tilstone Fearnall

St Judes is the parish church for Tiverton and Tilstone Fearnall. There is a service every Sunday at 9:30am, and of course the church gives support to all major events in life: Baptism, Marriage and Funerals.

Armistice Day 2007

The 11th Nov falls on a Sunday this year so some areas will choose to hold a special service on a different day to avoid conflict with church services. Tiverton will be holding its service on Saturday 10th November at the War Memorial on Stocks Green. Coffee and biscuits will be available in the Chapel meeting room after the service. All welcome, please assemble for 10:45am in good time for the silence period at 11:00am

Letters to the Editor

Autumn Flower Show

Did you know the flower show is for kids as well? There is a junior section where you can enter cakes and plants. This Autumn our entries included miniature gardens. We also had a go at entering some adult classes. We enjoy going along and seeing the other exhibits, and bidding against our mum in the auction at the end. But we'd like to see some other children there too. The next show is the Spring show. Why not come along and see what you can win?

Tiverton District Bridge Club

The club continues to prosper. This friendly club gathers in members from the Wirral, Chester, Northwich, Winsford and Nantwich as well as most of the local villages.

Duplicate bridge is played on Monday evenings and Wednesday afternoons. At the Christmas and New Year parties, Chicago bridge is played with plenty of good prizes to be won.

New members are always welcome. Further details from Barbara 01829720368 or David 01606784491

Village Society News

Dance to live music or just socialise in Tiverton Village Hall on the first Friday in the month from October through December: 5 Oct, 2 Nov and 7 Dec. 8pm to 11pm. No bar but bring your own bottle. Tickets £3 each from Audrey on 733520

Advanced notice of our New Year's Eve Dance and Supper; no bar but bring your own bottle. Tickets £12.50 each and numbers are limited, so book now

Junior Training with Deeside Ramblers

Junior registration took place on Sunday 9th September. Any junior who would like to join but was unable to attend on the 9th is welcome to come along to the club. Under 11 sessions take place on every other Sunday 10.45-12.00 commencing 16th September. Details of other age group sessions can be obtained from the club www.drhc.co.uk

The Club operates training and coaching to a high standard and recently it was awarded the England Hockey Club 1st Accreditation. This represents recognition that the club is working towards providing a safe and child friendly club environment.

Village Hall News

The Hall Committee were disappointed to discover that 2 tables had been taken from the hall at the end of August. Although they have now been returned, their absence caused a lot of wasted committee time in trying to ascertain their location against the need for a full complement of tables for an event.

On a more cheerful note our new chairs have arrived with the old ones going to help out the Methodist Chapel and other local organisations.

We are also in the process of installing an outside bench so that the new gardens can be better enjoyed by villagers.
