

TIVERTON & TILSTONE FEARNALL PARISH COUNCIL

Minutes of Tiverton & Tilstone Fearnall Parish Meeting held in the Village Hall, Tiverton, Cheshire on 11th January 2004.

PRESENT:- Councillors Cheshire, Evans, Marshall, Povall, Scott, Wright, City Councillors Jones, Councillor Haynes and County Councillor Moore-Dutton

ALSO PRESENT:- Approx 10 members of the public

APOLOGIES:- Councillor Farrall

OPEN FORUM:- Councillor Cheshire gave a summary of the history of telecommunication masks planning application made within the Parish. He informed the attendees that planning application had been granted for Bank View farm but it seems that this site is not the preferred site for the mobile telephone company and consequently they have resubmitted a planning applications for a telecommunication mask at the Tiverton Hockey Club. The Parish Council have received strong objections from the residents regarding this application. The objections have been documented and a letter has been sent to the planning office.

During the Open Forum it was decided that Councillor Cheshire would send a second letter to the planning office providing the NRPB statement and thus enforcing the argument that this site is unacceptable. **Action Councillor Cheshire**

It was felt that there was an unreasonable timeframe allocated to the planning application and no consideration given for the Christmas holiday period. **Councillor Mike Jones will arrange a meeting with the City planning officer Andy Farrell and Councillor Cheshire to discuss the planning application.**

Councillor Scott proposed to keep the Village Web page this was seconded by Councillor Marshall – and all were in agreement. RESOLVED Village Web page is continued for another year.
