Other Highways Issues					
	3/Jul/19	Speeding concerns raised by resident	Bends near to Sunnyside Fm / Brassey Gn Fm	email sent to highways 03/07/2019	
2018 - 2019		On going concerns regarding speeding down the A49 in particular the stretch of road between Huxley Lane and Beeston Brook Railway Bridge. Vehicles are regularly observed exceeding the 30mph speed limit and there are frequent bridge collisions with high sided vehicles.		Speed monitoring and discussions with the police and CW&C Highways. Additional signage warning high sided vehicles have been installed, and speed signs gave been upgraded with the yellow background. Additional police monitoring has been authorised by CW&C.	On-going
