

TIVERTON

YOUR VILLAGE HALL NEEDS YOU !

This time last year the Village Hall was in danger of being closed. The committee had finished their term of office and, in the absence of a new one, the winding up process was due to begin. Fortunately, the call to arms was met and new and old committee members moved things forward carrying out various updates and improvements both inside and outside. Unfortunately, even with those improvements, usage of the Hall continues to be in decline and it makes a loss each year.

The purpose of this leaflet is to ask those in the Village as well as in Tiverton, Beeston and surrounding areas for their support and help in letting us know what sort of events would be of interest and what we can do to preserve the facility for everyone to enjoy.

With that in mind we ask you to check out the Village Facebook page (Tiverton and Tilstone Fearnall Village News) and leave some comments and also make a note in your diary of the **Hall Annual General Meeting on Thursday the 12th of February 2026** to which everyone is welcome.

You can also email the Hall on tvhcw69nb@outlook.com and leave thoughts and comments which will be responded to.

There are already a number of current activities which you can join in with and the contact details for those together with the Event Managers' details to book the hall for parties and other functions are listed overleaf.
